Unlabeled Assistive Devices

We have noticed assistive devices such as rollators, walkers, canes, scooters, etc. on the campus that do not have identification tags on them. Please make sure that these items are labeled with your name and residence number.

Low Vision Presentation

Holly Stanz, UPMC Eye Institute, will be here on Thursday, February 7 for an educational session on low vision. The presentation will be followed by a free functional vision screening. If you are interested in this event, it will be held at 1:30 PM in the Auditorium. If you have any questions, please contact the Physical Therapy Department at ext. 8478.

Grill Party Reminder

The holidays are behind us and it's time to “Beat the Winter Blues.” Join us on Tuesday, February 12 for the first Cranberry Lake Grill party of 2019. Seating begins at 5:30 PM and the cost of the dinner is one meal credit + \$25. Entertainment will be provided by Soulful Femme, a blues trio.

Seats are limited, so call Jesse Komara at ext. 8505 for your reservation. There will be a 5:00 PM community bus run for this event.

Elevators

We've been replacing elevator buttons more frequently due to breakage. Please use care when pushing buttons and avoid using hard objects such as canes to hit the buttons.

Capital Budget

In preparation for the coming 2020 budget, we are looking for resident input, especially as it relates to capital improvements on campus. Purchases made from prior year suggestions include: resident recliners in Skilled Nursing, Fitness Center equipment, a new wheelchair van, higher seat benches along covered walkways, and various drainage projects. Some current resident request projects in progress are: the lobby restroom refurbishment, Dining Room acoustical ceiling and a new 29 passenger bus with ramp.

If you have an idea for a capital improvement on campus, please let us know with a short description of your idea on the back of this paper. Please return the form to the reception desk by February 25.
