Speed Limit Reminders

Please be considerate of our staff as you drive around the campus. It is not safe for you or them when the 15 MPH speed limit is not followed. I've also received reports of speeding scooters. We request that you use low speed settings while riding your scooter on the sidewalks and inside the Community Center.

Sewing Machine

A new resident has donated her sewing machine to Sherwood Oaks. It will be placed in the Craft Room (on the lower level) next week. The machine is available for community use.

Disaster Preparedness Meetings

At the August 13 independent living disaster preparedness meeting, two working groups were formed: one to discuss resident education regarding safe exit of home and the second to review contents for a grab n go bag. Meetings with each of these groups have been scheduled over the next two weeks. The grab n go bag group will meet on Tuesday, August 27 at 1 PM in the Conference Room. The education group will meet on Wednesday, September 4 at 10 AM in the Conference Room. If you are interested in attending, please contact Tabby Alford at ext. 8460.
