

“For Your Information”

(A periodic publication by Sherwood Oaks Executive Director, Annette McPeck)

August 28, 2020

SORA Committee Meetings/Activities

At the August 18 SORA Board meeting, resuming meetings and activities was discussed. Considerations included using proper masking and social distancing. Meeting/activity rooms are limited to the Auditorium, Great Room, Conference Room and/or Sherwood Meeting Room - depending on the number of attendees. Administration and housekeeping are developing calendars for availability. Tabby Alford will contact each committee/activity chairperson next week for scheduling.

Please note, the annual bake sale, marketing events and SORA programs have been cancelled for the remainder of 2020. Options for the December holiday parties are being reviewed.

Annual Fire Alarm Inspection

Simplex will be on campus on Tuesday, September 1 to conduct the annual fire alarm inspections in the Oak Grove Center and Lakeside Apartment building. Alarms will be silenced but must be sounded at the conclusion of each inspection. The technician will need access to each apartment. Questions can be directed to Beverly English at ext. 8477.

Deener’s Farm Market Transportation

Starting Thursday, September 3, we will be adding a seasonal stop to off-campus transportation. The stop will be to Deener’s Farm Market on Route 19. Residents will be able to ride the Sherwood Oaks bus every Thursday at 1:00 p.m. to Deener’s Farm Market. Pick-up will be at 2:25 p.m. If you are interested, please sign-up on the transportation bulletin board.

Menu Suggestions

Do you have any suggestions for the Fall/Winter menus? If so, please email them to Beverly Puglia at pugliab@upmc.edu or complete the form below and return it to the reception desk by Monday, September 7. Fall/Winter menus are slated to begin in early October.

Fall/Winter Menu Cycle Survey

Please consider the following suggestions for the menu cycle:
