## **Safety Reminder**

As we reopen more areas, we want to reinforce the importance of properly wearing a mask/face covering, washing your hands and utilizing hand sanitizing stations throughout the building, and staying six feet or more away from others. I appreciate your help in keeping everyone safe!

## **Fitness Center**

Beginning Monday, September 14, the Fitness Center will re-open for resident use Monday-Friday from 8 a.m. to 4:30 p.m. The capacity is four residents at one time. If the Fitness Center is full when you arrive, a staff member will ask you to wait in the hall until space becomes available. Any resident wishing to schedule a supervised session with the staff should contact Bill Burtner at ext. 8543. The following guidelines will remain in place:

- All Fitness Center users will have a temperature check before entry
- Masks/face coverings are required
- Sanitize your hands before and after using the Fitness Center (hand sanitizing stations are located immediately to your left when entering the room as well as across the hall next to the elevator)
- DO NOT use the Fitness Center if you are sick or aren't feeling well
- Fitness Center is available for Independent Living and Personal Care residents only (NO GUESTS, FAMILY MEMBERS or EMPLOYEES at this time)

Attendance is limited to 20 people. Social distancing and masks/face coverings are required. Please contact Ruth Inkpen at ext. 8225 to reserve your spot.

## **Absentee Ballots – November 3 Election**

In the August 26 Butler Eagle, Aaron Sheasley, Butler County Elections Bureau Director, stated that, “The elections bureau is a few weeks away from beginning to finalize the ballot and have them printed. Once all the processes required...are complete, the election bureau staff will begin to process the mail-in ballot requests and send ballots to voters.” Check the Civic Affairs bulletin board in the mail room for additional information as it becomes available.
