Post-Gazette Delivery Changes

Newspaper carrier, Clay Garing, has notified us that he is retiring from the Pittsburgh Post-Gazette. His last day to deliver newspapers to patio homes is Sunday, April 11. The Post-Gazette will not be replacing his position at Sherwood Oaks. Newspapers will be dropped at the Reception Desk with a subscriber list starting Thursday, April 15. Independent Living residents will be responsible to pick up their Post-Gazette at the desk on Thursdays and Sundays. Newspapers that are not picked up nightly will be placed into your IL pigeon hole. Skilled Nursing, Personal Care and Oak Grove subscriptions will be picked up at the desk by the staff and distributed. All billing/payments will go directly through the Post-Gazette. If you have any questions, please contact Tabby Alford at ext. 8460.

Flower Donation

A special thank you to Alex Fedders, security officer, for donating his wedding flower arrangements earlier this week. The flowers were a lovely addition to Community Center lobby.

Reservations

We are receiving numerous requests for scheduling Sherwood Oaks facilities for family events on campus. These include the Summer House, Cranberry Lake Grill, Oak Lodge guest rooms and patio home guest suites. We are still in a pandemic and unsure of the transmission of the virus in vaccinated persons as well as overall vaccination status of the greater community.

For now, we will not reserve any Sherwood Oaks facility or provide catering for events on the campus through Labor Day. So that you are not disappointed in missing your function, make alternate off-campus plans. Although independent living residents are permitted to have visitors, I ask that you do not have more than a few visitors at one time. If you choose to have visitors, or go off campus for any reason, please remain masked.
