Springfest (aka Winterfest)

SORA is sponsoring an event for all residents – new and not so new. It will be held on Thursday, April 7 from 1:00-3:00 PM in the Auditorium and Card Room. The event will showcase the committees and activities under the SORA umbrella. Sherwood Oaks is a resident-driven community, which means the residents determine the activities, entertainment, and special events. There are also committees and activities that provide input to the Sherwood Oaks administration.

You will have an opportunity to meet with people you don’t see every day who will be able to describe the various committees and activity opportunities. You can then decide which areas you believe best suit your skills and interest.

There may be short presentations, and there will be tables set up representing the many areas of interest. Most of all, you will meet some new friends and have a good time at this spring event.
