Free Covid Tests

As COVID-19 cases rise again with the arrival of winter and holiday gatherings, the White House Announced that people will be able to order four more free at-home COVID-19 rapid tests to be mailed to them. The tests will begin to ship starting the week of December 19 and can be ordered via [COVIDTests.gov](https://www.COVIDTests.gov), or by calling 1-800-232-0233 (TTY 1-888-720-7489) between 8 a.m. and midnight Eastern time any day of the week.

Medicare will also send you 8 free rapid tests per calendar month if you have Part B, including those enrolled in a Medicare Advantage plan. If you are in a Medicare Advantage plan, the tests covered under this initiative will be covered outside of your existing plan's coverage, and in addition to any over-the-counter tests that may be covered under the plan as a supplemental benefit. You can order your tests by visiting Medicare's online pharmacy at www.medicareprecision.com. You must enter information from your Medicare card, including your Medicare ID.
