## **HIPAA Privacy Rule**

HIPAA (The Health Insurance Portability and Accountability Act) covers all residents and employees on the Sherwood Oaks campus. By following HIPAA, we are not permitted to give out any personal or medical information about a resident or employee. This includes temporary hospital stays and/or stays on skilled nursing or personal care.

Sue Hoffman compiles a “Do Not List” spreadsheet of residents who do not want their names listed on the temporary hospital list that is posted in the mail room. If you would like to be added or removed from this list, please contact Sue at ext. 8461.
