Dining Room Guests - Update

Beginning Thursday, April 20, we will accommodate guest tables for up to 6 people total. We ask that you make reservations for guests at least one day in advance. We recognize this may not always be possible, so please call #8234 to check same-day availability. We will review the guest reservation list to see if we can accommodate your request. Walk-in guest seating cannot be guaranteed due to the 10-table limit for guests during each meal service. We are accepting reservations no later than 5 days in advance.

- ✓ Parking Lot Walkway Entrances (Parking Lots A-I)
- ✓ Summer House
- ✓ Lake Side Apartments - beside the fire hydrant by the external garages. (new location)
