Senior Project – “Help My Vision to Help Others”

Jeevan Subramaniam is one of our dining room servers. For his senior project, he is holding an eyeglasses drive. He is working with the Lion’s Club as they specialize in helping those with impaired vision. He is accepting used eyeglasses, sunglasses, and reading glasses (prescription or non). All donations will be cleaned by Jeevan and given to an organization called Mission Vision. Mission Vision’s mobile clinics provide free eye exams, glaucoma screenings and prescription glasses to over 2,000 people (all over the world) annually.

Jeevan’s Grandmother was born in India and lived there for many years. She was also a part of the Lion’s Club (in India) and had a similar mission of helping those with impaired vision. Jeevan would like to follow in her footsteps.

A collection bin will be placed in front of the main dining room for anyone who would like to donate used glasses. Donations will be accepted through December 2023.
