Nutcracker Display

The nutcracker and Christmas display is finished and available for viewing on the first floor of the Lakeside apartment building. Thank you to resident, Monika Dalrymple, for creating and sharing such a beautiful display.

Podiatrist – Retirement

Dr. Gioffre, Podiatrist, is retiring. We are working on a permanent replacement. I will update you as I receive more information. In the meantime, you can contact the community nurse department at ext. 8496 to schedule an appointment with our interim Podiatrist, Dr. Snyder.

Dr. Pat Francis

Effective December 12, Dr. Pat Francis will no longer come to Sherwood Oaks for Audiology appointments. Appointments will only be available at his Wexford office. We thank Dr. Francis for his many years of service to our residents. Appointments for the Wexford office can be made by calling 724-933-3440.

Resident Satisfaction Surveys

The resident satisfaction surveys have arrived and were distributed today. Independent Living surveys were placed into each pigeonhole in the mail room in a large white envelope addressed to each patio number. If two residents live in a patio home, two surveys are enclosed. Lori Greer will distribute Personal Care surveys. Oak Grove Center surveys will be mailed directly to each POA/responsible party. See channel 950 for details.

The online option to complete the survey is not available this year as we are piloting a new format. Please complete the survey and use the enclosed envelope to mail it back to UPMC no later than Monday, December 18.

Thank you in advance for completing this valuable tool. If you have any questions about the survey, feel free to contact Tabby Alford at ext. 8460.

Holiday Concert

St. Ferdinand's CCD class will be here on Saturday, December 16 to provide a holiday show for you to enjoy. The program begins at 2:00 in the Auditorium.
